Colour Selector Guide

STANDARD COLOURS

These colours are usually available from stock, subject to shipping time.

CUSTOM COLOURS

The hull, ama or deck can be produced in the colours in the chart below. Note that this will require an additional cost (depending on the number of colours) with a 25% deposit in advance and longer production time - please contact your dealer for details. Examples of Wetas in standard and custom colours can be found at wetamarine.com/weta-in-action/
